With that in mind, I need an 80 on term test 3, and a 76 on the final exam in order to get the 67% I need to go on. In the spirit of preparing for the worst, how is ECO100 in summer school? Are there any drawbacks? Is the marking scheme different? I heard if you take it in summer school, that your course selection would be delayed. Is this true?

Indart is a very straight forward professor. Attend his lectures, do his past problems and tests and you will get an A. So far, this course has been pretty easy. His slides are very clear and to the point.

The only negative I have for Indart is that he can sometimes be monotonous when speaking making it hard to focus on what he's saying in class.
