Dignity: The Essential Role It Plays in Resolving Conflict ...

When I created the dignity model, I developed the ten essential elements of dignity that we looked at in part I. The purpose of the model was to give a clear picture of what it looked like to honor dignity, on the one hand, and what it looked like to have one's dignity violated or to violate it in others, on the other hand.

Parents play an extremely important role in developing a child's sense of dignity, if they recognize their child is a being created in the image of God and thus has inherent value and worth.

What Is the Real Meaning of Dignity? | Psychology Today

These narrow positions are not our tradition. The Catholic way is to recognize the essential role and the complementary responsibilities of families, communities, the market, and government to work together to overcome poverty and advance human dignity. Efforts to overcome poverty should not be distorted by ideological agendas.
