Participants. The 118 survey participants were adults recruited by their hearing care professionals (HCPs). They had all types and configurations of hearing loss within the fitting range of the Widex M-receiver (Figure 1).Participants were required to have internet access in order to complete the questionnaires online, and to be smartphone users in order to use the EVOKE app.

Real-life Hearing Aid Benefit with Widex EVOKE

This phone has been awesome-for 3 months. Now there is a humming when the phone is in use. It is too loud for callers to hear each other. I was able to send phone back to Future Call for repair and I am very impressed with the customer service!
