### Math 111 - College Algebra Midterm Practice Problems NOT A ...

If your midterm is over a month away, your class attendance might seem pretty disconnected from  
your study plan. But going to class every time, and paying attention while you're there, is one of  
the most effective steps you can take when preparing for a midterm or other important exam. After  
all, the time you spend in class involves you learning and interacting with the material.

ATTENDANCE. Furthermore, students can appeal during week 9 and 10, as well as week 14 and 15  
to their instructor using the appeals form provided below. Note: no appeals will be accepted after  
the final exam or at any other time! In cases when the instructor cannot determine whether or not  
the reason is compelling,...

### MATH 090: Intermediate Algebra

If you do, you're probably math major material. When I think of it, these people are the cream of the crop when it comes to math pretty much on my campus and when the average grade on the midterm is basically a D, you can get an idea if you're either average or not. I think at this point people evaluate whether they should continue doing math.
