This is an example of modern fantasy because it is not realistic to have a dog that big in real life. The other things in the book that have to do with taking care of a pet are realistic, but they get blown out of proportion because Clifford is so big, such as his taking a bath in a large pool, having a dog house bigger than Emily Elizabeth's house, and playing fetch with a stick and bringing ...

Description: From the children books of the same name (which were first published in 1963), this animated cartoon dog is a vizsla. Though vizslas are a large breed, Clifford is much larger than is typical (approximately eight meters tall, he was even shown removing the top of a lighthouse while standing, confirming his status as one of the tallest animals in cartoons).
