The Dental Assistant works closely with the dentist in the operator. Her involvement in your treatment starts with settling you comfortably into the treatment chair, assisting the dentist by preparing the correct equipment and mixing the appropriate materials needed for a particular procedure.

Dr. Jacques Cilliers - Dental Surgeon - Nigel

What is the need? In Virginia, Medicaid and Medicare provide little or no dental coverage for adults. As a result, some of our most vulnerable populations, senior citizens and adults with disabilities, are forced to live with the pain, embarrassment, and complications of poor oral health, if they cannot afford to visit a dentist.
