How to Get Working Papers . Obtain an "Application for Work Permit" from one of the working papers offices or from the guidance office in your school, or download the form here or below.

Working Papers - Career and Technical Education

The Electronics Modules program is based on ETA's Associate level certification, and is divided into five modules. The purpose of this is to align with a growing portion of the electronics education industry that is charged with providing electronics training that does not include the total content of traditional basic electronics courses.

Accredited Electronics Certifications - ETA I
