Damp Squid The English Language

The usage of a language is the manner in which the written and spoken language is used, the "points of grammar, syntax, style, and the choice of words", and "the way in which a word or phrase is normally and correctly used". The usage of a language can mean the way people actually use the language, or prescriptively the way one group feels that people ought to use it.

Usage (language) - Wikipedia

This list comprises widespread modern beliefs about English language usage that are documented by a reliable source to be misconceptions.. With no authoritative language academy, guidance on English language usage can come from many sources. This can create problems, as described by Reginald Close: Teachers and textbook writers often invent rules which their students and readers repeat and ...

The c-word, 'cunt', is perhaps the most offensive word in the English language, and consequently it has never been researched in depth. Hugh Rawson's Dictionary Of Invective contains the most detailed study of what he calls "The most heavily tabooed of all English words" (1989), though his article is only five pages long. Cunt: A Cultural History Of The C-Word is therefore intended as the ...
