Caller name: Efls. Caller type: Unknown. Get a call from 1-916-403-3480. Did not know who they were so did not answer. My voicemail picked up, but they did not leave a message. My phone number is on the national do not call list (which I know is a joke). My phone has a feature that allows me to block calls. This number is now blocked.

I've been getting this annoying call 2-3 times a day for the past week along with others that won't speak and just hang up after answering. I have no idea who or what EPLS is and don't care either, but also don't want to be bothered, so a "hang up" is all they get. They don't deserve going to my answering machine either.

got a call from EPLS and i knew it was a marketing type of call as no one answers right away and you hear the boiler room convos in the background. She asked for me by name and i said wrong number! the best thing to do is not write down or give your phone number out under any circumstances.
