Corporate titles or business titles are given to company and organization officials to show what duties and responsibilities they have in the organization. Such titles are used publicly and privately held for-profit corporations. In addition, many non-profit organizations, educational institutions, partnerships, and sole proprietorships also confer corporate titles.

Agency theory (Jensen and Meckling, 1976, Fama, 1980, Fama and Jensen, 1983) establishes that the principal (shareholder) and the agent (manager) have opposing interests that may trigger conflicts which will interfere with the smooth running of the company. In contrast, stewardship theory offers an alternative view, which states that there exist ethical and professional motives that will ...
