Here at the Stepford Organization, not only do us girls always ask our men for their advice, we always ask for their permission. We ask for his permission before making purchases, we ask for his permission if we're going to spend an afternoon out, we ask his permission before we take a little bite of a delightfully guilty dessert (which is seldom, because ladies...remember the waistline!)

About She-Held She-Held was created as a place where people who are new to the ideas of Female Led Relationships can look for information.. Obviously, information on this is all over the internet, but much of it isn't very helpful. She-Held is a link aggregate to what we think are some of the best of those resources, especially blogs by regular people who have been enjoying Female Led ...

### **She-Held**

According to some modern military manuals, the modern Western salute originated in France when knights greeted each other to show friendly intentions by raising their visors to show their faces, using a salute. Others also note that the raising of one's visor was a way to identify oneself saying "This is who I am, and I am not afraid."

The fundamental principles for the exercise of BDSM require that it should be performed with the informed consent of all involved parties. Since the 1980s, many practitioners and organizations have adopted the motto (originally from the statement of purpose of GMSMA—a gay SM activist organization) "safe, sane and consensual", commonly abbreviated as "SSC", which means that everything is ...
