Elephants are a huge part of popular culture and show up as metaphors across all media. They form a part of religious beliefs and are often associated with wisdom or altruism. However, many people who live outside the normal range of elephants are unfamiliar with the many interesting facts about them. This list gives an overview of ten interesting areas about elephants.

## **Top 10 Facts About Elephants - Listverse**

I sort of stirred up a hornet's nest with a recent post about Cirrus airplanes and Cirrus pilots. A few commenters compared the discussion with ones about the Beech V-tail (Model 35) Bonanzas a long time ago. That airplane was actually referred to by many as the "V-tail doctor killer" back in its heyday. As with the Cirrus, the problem was more with pilots than with the airplane.
