Among the many tasks of early childhood, two stand out: to communicate needs in a respectful way to other children and to listen with respect to the ideas of others. These areas of learning are important to all young children, but especially to those who participate in group settings away from home—preschool and child care programs, playgroups, or summer camps.

The Israeli-Palestinian conflict has its roots in the late 19th and early 20th centuries, with the birth of major nationalist movements among the Jews and among the Arabs, both geared towards attaining sovereignty for their people in the Middle East. The collision between those two forces in southern Levant and the emergence of Palestinian nationalism in the 1920s eventually escalated into ...
