## **Classical Rhetoric For The Modern**

The classical education movement advocates a form of education based in the traditions of Western culture, with a particular focus on education as understood and taught in Classical antiquity and the Middle Ages. The curriculum and pedagogy of classical education was first developed during the Middle Ages by Martianus Capella and systematized during the Renaissance by Petrus Ramus.

The trivium model of education (otherwise known as classical education or the seven liberal arts) and its components explained, from Classical Christian Homeschooling: Classical Education at Home.

## **Classical Christian Homeschooling: On the Trivium**

Classical liberalism is a political ideology and a branch of liberalism which advocates civil liberties under the rule of law with an emphasis on economic freedom. Closely related to economic liberalism, it developed in the early 19th century, building on ideas from the previous century as a response to urbanisation and to the Industrial Revolution in Europe and the United States.
