Rated 5 out of 5 by John & Debbie Guenther from Slide-Out-Stabilizers works great with movement We are now full timers and used the stabilizers on our 2007 Montana. We have 4 slides but have put the set on the biggest slide. We have only had the stabilizers for a short time but already feel the difference with the movement.

CHAPTER ONE. STROWGER WORKS AND ITS PLACE IN HISTORY. Strowger means several things to people: to the public at large he is remembered as the man who invented the automatic telephone to avoid losing business to a rival; to telephone engineers world-wide his name denotes a type of switching mechanism which even a hundred years after its invention is still used in most countries.
