Different Forms Of Dispute Resolution

Alternative dispute resolution (ADR) is a means of addressing and settling parties' disputes outside of court's traditional adversarial setting. Today, alternative out-of-court mechanisms for settling disputes are so effective that courts often require parties to pursue these alternatives before litigating.

Types of Alternative Dispute Resolution (ADR) | LegalMatch

There are a lot of different types of alternative dispute resolution (ADR), and sometimes different names are used for similar processes. This can be confusing, but remember that it does not really matter what the process is called as long as it helps to sort out the problem in an appropriate way.

Types of alternative dispute resolution

Dispute resolution processes are alternatives to having a court (state or federal judge or jury) decide the dispute in a trial or other institutions decide the resolution of the case or contract. Dispute resolution processes can be used to resolve any type of dispute including family, neighborhood, employment, business, housing, personal injury, consumer, and environmental disputes.
