In genre studies, a coming-of-age story is a genre of literature, film, and video that focuses on the growth of a protagonist from youth to adulthood ("coming of age"). Coming-of-age stories tend to emphasize dialogue or internal monologue over action, and are often set in the past. The subjects of coming-of-age stories are typically teenagers. The Bildungsroman is a specific subgenre of ...

Christian Reviewers: Our call is to discern the spiritual level of books we read to help our readers know what to expect. This is meant to help Christian leadership, parents who need to keep track of what is being fed into their children's minds, and Christian authors—by encouraging them to write powerfully edifying Christian fiction.
