"See you in dreamland" Your might find it really hard to believe that I just rated a Sarah Dessen book 2 out of 5 stars. But I didn't really enjoy this book, it was something that I wasn't expecting. I thought this was a book that was fluffy and filled with happiness. BUT It isn't fluffy and it isn't filled with happiness.

Having just finished DREAMLAND, Sarah Dessen's latest novel, I felt like shouting, "Who the hell wants to read about a bunch of kids who are always happy, who have it all and whose lives are just great? We don't need literature painting pretty pictures of confident, beautiful girls and sweet, adorable boys; we have television for that!"

Sarah Dessen is at the top of that list and I have never passed up an opportunity to read one of her books. What I've always admired about Dessen is that while she doesn't go over the top with being controversial or writing things for the pure shock value...she also does not gloss over certain subjects.
