Learn to stop looking for the perfect conversation and to just say whatever comes to your mind. If you feel like talking about the delicious pie you had for breakfast, do that. You'll discover that it's

actually fine to let go and talk about whatever you feel like.

How to Avoid Awkward Silences - People Skills Decoded

The old saying that "eyes are a reflection of your inner self" holds true in most cases. There are a lot of meanings to eye contact. It can be a glaring look when a person is defiant or angry. A stare when we see something unusual about the person (staring obtrusively is rude!). A glazed over look when we are hopelessly in love with the person.

Why eye contact is important during conversation ...

Post date: Monday, 7 November 2016. There are six sight loss guides in the top tips series. This is the first guide of six. The advice given here will help you feel confident about talking to a person with sight loss:
