I am using the Intermediate Algebra, 2nd Ed., Miller, O'Neill, Hyde book for this online course. The

really sad part about this website course is that when I need help, there is no way to actually receive the help I need. My professor doesn't teach and connect math always glitches up. When you click "solve it" it is suppose to give you the answer and give you step by step solutions.

One of the goals of Connected Mathematics is to assist children in figuring out as much as they can for themselves. You can help by asking questions that guide, without telling what to do or giving away answers. Good questions and good listening will help children make sense of mathematics, build self-confidence, and encourage mathematical thinking and communication.
