If you follow them, you will succeed. Your decisions and choices shape your future, and so you shape almost everything that happens in your life. You create your future by being proactive, in contrast to most people - about 90% - who are passive. They simply wish and wait for things to happen, but when you are proactive, you take charge of your life.

These future quotes remind us that what we do today determines our future. We cannot go back and change the past, and we shouldn't worry about future events that are outside our control. I hope these quotes inspire and motivate you to create your future through goal setting.

Motivational Quotes - Future Quotes - Goal-Setting-Help.com

Of course, create your own wording for your own goal. The vitally important thing is that when you say it your emotional state agrees with the statement. For example, the reason an affirmation such as "I am now exercising every day" doesn't work is because if you are not exercising every day you immediately feel it when you say it.
