Dr. Mark Greene is a fictional medical doctor from the television series ER, portrayed by the actor Anthony Edwards. For most of his time on the series, Greene's role was that of a mediator and occasional authority figure, and he was considered the main character of the series for the first eight seasons. Mark was also the only original character to die, and his death at the end of Season 8 ...

Though the horizon continues to darken, an awakening is beginning to unfold on many fronts and in many circles. Stoking the growing fires of awareness with credible data from a credible source is essential. All whom are already awake and aware are needed to help sound the alarm, reaching a critical mass of awareness is the only way forward. DW
