Throughout history, great philosophers have been answering profound questions about life. But do they know why your socks keep disappearing from the dryer

Dear Undercover Economist: Priceless Advice on Money, Work ...

This book probably gets about 3.5 stars from me, with a slight rounding up. This book is a collection of advice columns written by the Undercover Economist for the Financial Times over a period of years, essentially attempting to highlight the economist's view of the world (ruthlessly rational, challenging assumptions about social etiquette or common sense) by applying economical reasoning to ...
