In the history of the United Kingdom, the Victorian era was the period of Queen Victoria's reign, from 20 June 1837 until her death on 22 January 1901. The era followed the Georgian period and preceded the Edwardian period, and its later half overlaps with the first part of the Belle Époque era of Continental Europe. In terms of moral sensibilities and political reforms, this period began ...

### **Victorian era - Wikipedia**

At the start of the period, 20% of the country's 20 million people lived in towns. At the time of Queen Victoria's death, that percentage had risen to 75% with a total population of approximately 40 million.

The Victorian kitchen was anything but a modern kitchen. Its basic organizing principal was entirely different, which is why it really is not possible to recreate a Victorian kitchen just by adding some Victorian-looking cabinet doors and a few accessories. It takes an entirely new, or rather very old, approach to kitchen design. The orientation of Victorian kitchens was just the opposite of ...
