Community Reviews. England Made Me (1935) is one of the last novels by Graham Greene on my list to read. I had expected it to take place in England given the title, but was surprised to find it take place in Stockholm, Sweden. This is where the never-do-well Anthony Farrant has landed after his latest failure in Aden (in Yemen),...

Fitting atmosphere ... Stockholm. England Made Me is an overlooked early Graham Greene novel, set in Stockholm, a city about which, he admitted, he knew very little. Despite the overseas location, it was an attack on the English class system, rooted in public school education, underpinned by his growing disquiet with international capitalism.
