Diet for a Dead Planet: Big Business and the Coming Food ...

Judging by the putrescent greenish jacket with skull-and-crossbones image, Diet for a Dead Planet: How the Food Industry Is Killing Us promises to be revelatory and outrageous about the American food industry. Indeed, it lives up to the reader's expectations, exploring the stomach-churning reality of slaughterhouses, farms, grocery stores and supermarkets that are after making money rather than providing consumers with high-quality food.
