Megan Keith (Author of Eraser) - Goodreads

review 1: Sir and Mackenzie have fought to find their way to each other, through secrets and lies, through pasts filled with inconsequential hook ups and meaningless one night stands, but together they have found a way to let go of inhibitions, fears and doubts and find something deeper than either ever expected. But what happens when you find everything you've ever needed but never realised ...

Eraser Crimson(5) By: Megan Keith & Renee Kubisch. She immediately looked offended and he regretted being that honest. "That's what you think of me? That I'm some money hungry whore?" The bitterness in her voice not only directed at his reason for not telling her who he was, but the thought that he could ever think so little of her. ...
