There are many features of the Vedic system which contrast significantly with conventional mathematics. Coherence - Perhaps the most striking feature of the Vedic system is its coherence. Instead of a hotchpotch of unrelated techniques the whole system is beautifully interrelated and unified: the general multiplication method, for example, is easily reversed to allow one-line divisions and the ...

Kidney stone disease, also known as urolithiasis, is when a solid piece of material (kidney stone) develops in the urinary tract. Kidney stones typically form in the kidney and leave the body in the urine stream. A small stone may pass without causing symptoms. If a stone grows to more than 5 millimeters (0.2 in) it can cause blockage of the ureter resulting in severe pain in the lower back or ...

PDF. 010. POLICY. Policy consists of principles and values which guide the performance of a Department activity. Policy is not a statement of what must be done in a particular situation; rather, it is a statement of guiding principles which should be followed in activities which are directed toward the attainment of Department objectives.
