Crossing oceans book by Gina Holmes - Thriftbooks

review 1: The characters in this book were so real - not the "cookie cutter" type - and developed some depth as the story moved along. I especially liked Mama Peg (the grandma) who was quite feisty! But even more so, I sank into the pages as I watched the great love between this mother and daughter play out.

Crossing Oceans absolutely does not read like a first novel! Gina Holmes is an author to rival another favorite of mine – Nicholas Sparks. The similarity is that death is inevitable – it's part of life. The difference is that Ms. Holmes adds the element of Christianity to her story, making it much more appealing to me.

Crossing Oceans by Gina Holmes Reviewed by April Gardner "Crossing Oceans forced me to think in a way rare to women's fiction, and I admire the author for her boldness. Death has a way of forcing one's hand, which is the only reason Jenny has come home. With her five-year-old daughter, Isabella, in tow, she re-enters small town life with the hopes of setting things right with her dad, the ...
