Controlling Foodservice Costs 2nd edition - Chegg.com

The ManageFirst Program training program is based on a set of competencies defined by the restaurant, hospitality and foodservice industry as those needed for success. This competency-based program features 10 topics each with a textbook, online exam prep for students, instructor resources, a certification exam, certificate, and credential.

ManageFirst: Controlling FoodService Costs with Answer ...

Because most ManageFirst Program topics and exams are aligned to several college (university or higher education) courses, the textbooks can be used to cover the content typically taught in one college course. For example, the Controlling Foodservice Costs guide is designed to align with a Cost Control or Operations Management course.
