Escape Velocity and the Hierarchy of Powers To free your company's future from the pull of the past, to escape the gravitational field of your prior year's operating plan, and to complete the round trip by returning with next year's operating plan, you need to apply a force that is greater than the inertial momentum of current operations.

Escape Velocity: Free Your Company's Future from the Pull ...

Escape Velocity is a book about freeing your company's future from the pull of the past, but we should ask ourselves right from the start, why should one believe it is in need of liberation? What's the matter with the status quo? Why isn't Steady as she goes the mantra of choice, or perhaps Stay the course?
