A meal is an eating occasion that takes place at a certain time and includes prepared food. The names used for specific meals in English vary, depending on the speaker's culture, the time of day, or the size of the meal.. Meals occur primarily at homes, restaurants, and cafeterias, but may occur anywhere.Regular meals occur on a daily basis, typically several times a day.

English studies (usually called simply English) is an academic discipline taught in primary, secondary, and post-secondary education in English-speaking countries; it is not to be confused with English taught as a foreign language, which is a distinct discipline. English includes: the study of literature written in the English language (especially novels, short stories, and poetry), the ...

This is a survey of the main trends in twentieth-century literary theory. Lectures will provide background for the readings and explicate them where appropriate, while attempting to develop a coherent overall context that incorporates philosophical and social perspectives on the recurrent questions: what is literature, how is it produced, how can it be understood, and what is its purpose?
