Weighing the potential of some solutions and the false promises of others, this groundbreaking work provides a realistic,...

Climate Changed A Personal Journey through the ... - ABRAMS

This graphic novelist tells the true story of climate change. The book is thoughtful and ponderous, dense and poetic, and approaches climate change from the perspective of someone who cares, and is afraid and angry, but who, like all of us, can't possibly care and be afraid and be angry every single minute of his life.

Climate Changed: A Personal Journey through the Science ...

Most Helpful Customer Reviews. The subtitle "A personal journey through the science" is very descriptive of the content. The author allows the reader to see the world as he sees it...and that is a gift of perspective. The desire for truth and objectivity on the part of the author is apparent -- which leads to an unsatisfying,...
