Empty by K.M. Walton - Goodreads

EMPTY is a heavy read, not due to the very readable prose, not because of the topic, which is incredibly heavy. Dell's first person POV illustrated her profound depression. I could almost feel her despair. Despite Dell's despair, EMPTY is a fairly quick read. I enjoy Walton's writing style and will look for her again.

Empty is the perfect title for this novel, as this is how I felt when I was reading it. Empty. Emptiness for her detrimental self portrayal. Emptiness for her lack of confidence. Emptiness for her loneliness. My heart felt sorrow and pain for this beautiful person who just couldn't see her true self; who she could be.
