FOREWORD. The Bible is the single most important influence in the imaginative tradition of Western literature. The Bible redeems history with a visionary, poetic perspective, which complements science in the understanding of human nature.

The Bible, New Revised Standard Version (NRSV)

The crown had a monopoly on mercury and set its price. During the Bourbon reforms of the eighteenth century, the crown increased mercury production at Almadén and lowered the price to miners by half resulting in a huge increase in Mexico's silver production. As production costs dropped, mining became less risky so that there was a new surge of mine openings and improvements.
