It's nearly what you obsession currently. This engineering infinity jonathan strahan, as one of the most keen sellers here will definitely be along with the best options to review.

Engineering Infinity Jonathan Strahan

Engineering Infinity is a collection of modern day hard science fiction stories, of a number of different styles and authors. It's the usual mixed bag here, maybe a little better than just a random short story collection, or one of a single theme or author, but there were still some stories I didn't connect much to, and some I really liked.
