### Is using chegg answers cheating? - Online Homework Answers

I got a Chegg subscription last semester and I use it all the time for that purpose, and have learned a ton. Now, when you use it just to copy and paste answers for online homework or something and not learning how to actually solve the problem, then yeah that's cheating. But it doesn't sound like that's what you're using it for.

### **Is using Chegg cheating? : EngineeringStudents**

I think 30 percent of students don't use Chegg for copying solutions and 70 percent students do. The 30 percent students are those who just use it to cross verify their answers as correct or not. For these students it is advised to not to waste money on chegg and other paid platforms.
