The Imperial Presidency, by Arthur M. Schlesinger, Jr., is a book published in 1973 by Houghton Mifflin. This book details the history of the Presidency of the United States from its conception by the Founding Fathers through the latter half of the 20th century. The author wrote the book out of two concerns: first, that the US Presidency was out of control and second, that the Presidency had ...

The Presidency of Fidel V. Ramos, also known as the Ramos Administration spanned for six years from June 30, 1992 to June 30, 1998. At the time of his assumption into power, Fidel Ramos was the third oldest person following Sergio Osmeña to become President of the Philippines at the age of 64 (Rodrigo Duterte surpassed this record upon being elected president at the age of 71 on May 9, 2016).

You have done a great favor for those of us that have an interest in both American and LDS history. It was a long read, but very worthwhile. I believe that is is important to note that the cited opinion of "responsible military men" that foreign invasion of the U.S. could not come was proven wrong less than two months after the First Presidency's letter was penned.

Zelph. In 1834, Joseph Smith and members of the Zion's Camp march stumbled onto some bones in southern Illinois. According to the journals of several other church leaders who were present at the time, Smith received a revelation about the buried remains telling him that they were from a mighty Lamanite warrior named Zelph who was described as a "white Lamanite" allied with the Nephites.

Bush Jr.'s Skeleton Closet . George Bush likes to present himself as a straight-talking, regular guy. But it's an act -- regular guys don't go to Andover Prep, Yale and Harvard Business School, and straight-talking guys don't pretend to be regular guys after growing up in one of the most privileged homes in world history.
