Ebola: Through the Eyes of the People. The next patients are injected with the same syringe and the sick man's virus spreads. Lokela was the first Congolese victim of a new African hemorrhagic disease that became known as Ebola fever. When Sister Lucie dies a few days later, panic erupts and hospitalized patients flee into the forest.

### **Ebola : Through the Eyes of the People - Google Books**

In this book, William Close has worked hard to record the true story about Ebola's first recorded outbreak. The events that unfolded in the Yambuku region of Zaire (now Dem. Rep. of Congo) are particularly frightening because of the unknown nature of the "new" pathogen which was killing people quickly and brutally, while breaking many of the known "rules" of disease prevention.

### **Ebola: A novel of the first outbreak, by a doctor who was ...**

Ebola was an interesting, and frightening, look at the progress of this disease and the fear it can instil in those affected. It is written in novel form, making it easy to read and understand and I recommend this to anyone with an interest in medicine, science or communicable diseases.
