This part of the globalissues.org web site looks at the issue of trade and poverty and the relationship between them. International trade has been accompanied by some unfair practices by many nations, undermining human rights. Most wars are fought over access to resources. Some people call the current global trading model modern colonialism.

Chef's salad Food historians can't quite agree on the history and composition of chef's salad much less who assembled the first one. Some trace this salad's roots to Salmagundi, a popular meat and salad dish originating in 17th century England and popular in colonial America. Others contend chef's salad is a product of early twentieth century, originating in either New York or California.
