A virtual learning environment (VLE) is a system that creates an environment designed to facilitate teachers' management of educational courses for their students, especially a system using computer hardware and software, which involves distance learning. In North America, a virtual learning environment is often referred to as a "learning management system" (LMS).

History of virtual learning environments - Wikipedia

"We love ST Math! My 6 year old isn't a good reader, but he's great at math, and this is so well designed that there's little if any reading (chapter titles) but lots of tricky math so he's not bored and moves along at his own pace.
