Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

Therefore, based on the degree of regulation internalization (i.e., the extent to which the regulation is perceived to be autonomous or self-determined), individuals' extrinsic motivation 1 can be external, introjected, identified, or integrated (Deci & Ryan, 2000; Ryan & Deci, 2000). With external motivation 2, individuals are motivated to obtain certain desired consequences or avoiding ...
