Coaching for Performance: The Principles ... - Amazon.co.uk

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia

The DfES recognises that the ways mentoring and coaching are used depend on the context. There is no intention to impose a uniform model. These ten principles, based on evidence from research and consultation, are recommended to inform mentoring and coaching programmes in
