For me, the XPOMET© 2018 was the most impressive and promising event for innovation and digital transformation in healthcare. It was great to meet so many interesting and open minded experts from the different branches of the healthcare system and to see them working together with great enthusiasm.

Postmodernism is a broad movement that developed in the mid- to late 20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era.. While encompassing a wide variety of approaches, postmodernism is generally defined by an ...
