Daphne. It is 1957. The author Daphne du Maurier, beautiful, famous, despairing as her marriage falls apart, finds herself haunted by Rebecca, the character in her most famous novel, written 20 years earlier. Seeking distraction, she begins to research a biography of Branwell Bronte.

Daphne by Justine Picardie - Goodreads

The Independent Culture. Justine Picardie's new novel, Daphne, is a rum concoction which comes wrapped in one of the most attractive jacket designs, based on an illustration by Alison Lang, that I've seen in a long time. As the book opens, we encounter the writer Daphne du Maurier, 50 years old and at a particularly low point in her life.

Daphne, By Justine Picardie | The Independent

Drawing on Justine Picardie's own extensive research into Daphne du Maurier's obsession with the Brontës and the scandal that has haunted the Brontë estate, Daphne is a marvelous story of literary fascination and possession; of stolen manuscripts and forged signatures; of love lost and love found; of the way into imaginary worlds, and the way out again.

Daphne - Justine Picardie Okay, confession time: I've been in a Daphne du Maurier stanning mood. Ever since I've read Rebecca, I've loved her writing, but lately I just can't stop.

The Beauty of Literature

Justine Picardie's *Daphne*, reviewed and recommended fiction. The reclusive Daphne de Maurier spends her days ensconced in Menabilly, her remote mansion by the sea, the setting for her novel Rebecca and for much of what follows in this multi-layered and formidable tale. Perhaps lulled into a false sense of security, Daphne works in her shabby hut, an old-looking woman surrounded by the dark ...
