Math Book of Problems Series - Pearson

The Classical Education Edition of Caesar's English I is filled with so many extra elements that the book is too large to be handled easily by children. We ultimately decided to publish the student book in two parts at 192 pages each. A principal aim of the book is to teach children important vocabulary while giving them wide-ranging insight into the ancient world and its contributions to our ...

Consciousness and the New Physics. Space-Time According to Einstein. The special theory of relativity, formulated by Albert Einstein in 1905, is based on the experimentally confirmed idea that the velocity of light is the same universal constant, $c = 3 \times 10^{10}$ cm./sec., for all observers who move uniformly in straight lines relative to each other.
