Connections James Burke

Connections is a 10-episode documentary television series and 1978 book (Connections, based on the series) created, written, and presented by science historian James Burke. The series was produced and directed by Mick Jackson of the BBC Science and Features Department and first aired in 1978 (UK) and 1979 (USA). It took an interdisciplinary approach to the history of science and invention, and ...

Connections (TV series) - Wikipedia

Connections explores an Alternative View of Change (the subtitle of the series) that rejects the conventional linear and teleological view of historical progress. Burke contends that one cannot consider the development of any particular piece of the modern world in isolation. Rather, the entire gestalt of the modern world is the result of a web of interconnected events, each one consisting of ...

The right content drives the customer journey and unifies each and every customer touchpoint. But to manage this content on a global scale across channels in multiple languages requires a new approach that centralizes data, standardizes process, and integrates technology into a unified platform across the entire content supply chain.

Content Connections 2019 - One Clear Voice

Created by Frank D. Gilroy. With Gene Barry, Gary Conway, Regis Toomey, Leon Lontoc. Amos Burke was a Los Angeles chief of detectives who was also a millionaire with a chauffeur-driven Rolls Royce, a mansion, and a high-wheeling lifestyle. The hallmarks of this series were glamorous, sophisticated settings, unusual twists on formula homicide plotlines, and big-name guest stars.

How can James K. Baxter be the most popular poet when he has only one poem on the website? It does not make sense at all, when some members have written thousands of poems. Why can't they replace Baxter at the top of the list? Or why not someone from your top 500 poets, like Ezra Pound, T. S. Eliot ...
