I've called the company and they refuse to acknowledge that their product could have done this. I

find that interesting, considering that I found 200 complaints about their products killing/harming dogs and cats at the Consumer Affairs website and there is a Facebook page of people with similar experiences who are gathering up in order to file a class action lawsuit against the company.

WARNING: Essential Oils Dangerous for Pets, “Natural Flea ...

I know this is a controversial subject, and there is contradicting information. Isn't also true that some essential oils are safe to diffuse around cats? Like Geranium, Cedarwood, Lemongrass? Some say Lavender is toxic, some say it isn't, same with Frankincense. I have 7 cats. I do not apply EOs on them, just me. I always have the door open so they can leave the room. I diffuse oils that are ...

Cats and essential oils - perfectly safe now? Exploring ...

Over the ensuing decades, the consumption of vegetable oils rich in these fats more than doubled in the United States. 2 The American Heart Association began recommending their use to lower cholesterol levels in 1961, 3 and despite the Great Doubling that occurred during the Oiling of America, it recently recommended we nearly double our intakes yet again. 4 Scientific research over the past ...
