What is the solution to lack of education - answers.com

Education is the Only Solution. Parents will always be their children's first and most important teachers, and can have tremendous impact on their children's school readiness, motivation to learn, and study skills, as well as on high school graduation rates and college preparedness.

Education is the Only Solution | U.S. Department of Education

Let's admit it: Common Core is not the solution to our nation's education problem, but neither is our current system. Even without the Common Core standards fully in place, too often students are relegated to reading from a textbook and regurgitating what the textbook says on tests, quizzes and assignments.

A Solution to the Education Problem ...

However, getting the government (and, by definition, taxpayers) involved further in education is not the way to sort out our higher education woes. In fact, it will only exacerbate the problem.

Why 'free' college education is not the solution to the ...

Girls' Education is the Solution to...Everything! This would in turn be a driving force to grow the economy in their countries. "Over the next 15 years alone, developing countries together stand to gain or forfeit at least US\$21 billion, depending on whether or not they invest in the well-being, education, and independence of their 10-year-old girls today," says the study.

Fixing Education: The Solutions - The Atlantic

Education is not a solution to automation. More education is the most common response to the job losses and wage stagnation caused by automation. People, young and old, frantically train and retrain themselves for jobs in the ever-shrinking pool of jobs supporting a middle class lifestyle. Only lately has the futility of this become obvious,...
