Offender profiling, also known as criminal profiling, is an investigative strategy used by law enforcement agencies to identify likely suspects and has been used by investigators to link cases that may have been committed by the same perpetrator. Multiple crimes may be linked to a specific offender and the profile may be used to predict the identified offender's future actions.

Offender profiling - Wikipedia

Criminal Minds is an American police procedural crime drama television series created and produced by Jeff Davis. It premiered on September 22, 2005, and has run for fourteen seasons on CBS. It tells the story of a group of behavioral profilers who work for the FBI as members of its Behavioral Analysis Unit (BAU). The team focuses on profiling criminals, called the "unsub" or "unknown subject ...

The Judicial Process Criminal cases differ from civil cases. At the beginning of a federal criminal case, the principal actors are the U.S. Attorney (the prosecutor) and the grand jury. The U.S. Attorney represents the United States in most court proceedings, including all criminal prosecutions. The grand jury reviews evidence presented by the U.S. Attorney and decides whether it is sufficient ...
